**Agenda notices for all meetings are issued on noticeboards
and on the website 3-4 days in advance.**

Parishioners are welcome to attend meetings and may raise points relating to Parish matters before the formal meeting begins. However questions may be restricted to a time limit and to two speakers per issue. It is helpful if questions are submitted in advance.

Draft Minutes of meetings are available for inspection on the Council's website. They may be subject to correction by the Council at the following meeting.
