Investigate viability of bus shelter in village	Visit sites listed in Parish Survey with WCC	WCC	End 2008	Clerk	None	Sites on Coventry Road and Tamworth Road have been visited with WCC Highways Dept. These are deemed unsafe places to site bus shelters. There are no alternatives available so this can be progressed no further.
Improve pavements in village	Traffic Plan	WCC	By end of 2009	Clerk	No resource from PC	Footpaths have been examined by WCC through the Village Traffic Plan (VTP). This highlighted a need for resurfacing Nuneaton Road path and Bournebrook Close footpath. It was agreed that Bournebrook Close was not a high priority. Most areas where a problem was highlighted within the VTP are impossible to correct due to lack of land available at side of carriageway. Nuneaton Road footpath resurfacing completed
HGVs using unsuitable lanes in village	WCC produce map of suitable roads which is distributed to known operators.	WCC	Always available	WCC		Clerk can get additional copies should they be required.
Improve road safety in centre of village	Traffic Plan	WCC, W'ckshire Constabl'y.	Completed.	WCC		Dropped kerbs have been installed at the safest crossing points on the road
