The election was uncontested and Brenda Grey is elected unopposed and as confirmed by Stephen Rickett (NALC) was able to take up the seat following signing the declaration of acceptance of office; this was signed on 24th July 2018.

1819/046 Town Events Sub-Committee

A meeting was scheduled with Richard Hunter for Thursday 19th July but this was cancelled due to illness. As it is unlikely that another will be possible until September, it is hoped that it will be possible to agree dates for those actions detailed in the performance management matrix via email.

Richard has advised that he has started the process for the road closure but that the course has still not been measured as he is trying to persuade the course measurer that only one side of the road needs to be measured. Richard has also advised that the police replied with some feedback from last year which he intends to address with them directly. A copy of the feedback from the police has been requested.

1819/047 Road Ends Toilets

Sarah met with CSN regarding the locks and the electrics at the road ends toilets on Tuesday 24th July and a new lock insert has been recommended and a quotation will be received; this is expected to be within the 1st tier of financial regulations and can therefore be agreed between the acting clerk and chair.

PRUDHOE TOWN COUNCIL

AGREED Minutes of the Ordinary Meeting held on Wednesday 25th July 2018 in meeting room 1 of The Spetchells Centre

On contacting the British Toilet Association for advice about the standards expected in the accessible toilet, quite coincidentally, I happened to speak with the person who has recently inspected all toilets in Northumberland; I explained my aim was to ascertain if the accessible toilet was achieving its purpose. It is quite fortuitous that he has recently inspected the toilets and is about to compile his report to send to NCC and I have therefore asked Greg Gavin (NCC) if this could be copied to us on receipt.

1819/048 Youth Work Provision in Prudhoe**a) Summer Activities for Young People**

All those agreed to provide summer work are now booked up and the invoices received thus far have been presented for approval of payment.

Each provider will receive a feedback sheet and have been asked to ensure that all those attending as a result of the Town Council's funding complete one. We will ask the providers for the feedback sheets at the end of the holidays in order to evaluate success.

b) Detached Youth Work

This has not been actioned yet due to a lack of available time and the summer proposals being prioritised. A tender opportunity will be sent out over the summer period, taking into account that there is approximately £6,000 remaining in the Youth Provision budget.

1819/049 Humbles Wood Play Equipment and Open Space

Following the decision of the Town Council, an email was sent to Gentoo Homes, copied below:

Dear David

As you are aware the Town Council received all of the information provided by Victoria at the Ordinary Meeting last night with a view to taking a decision on the formal adoption of the open space and play area at Humbles Wood. As this is a new council, members were also made aware of the historical decisions pertaining to the site and although it was acknowledged that previous council meetings have voted in favour of taking on the area, the meeting last night voted against it.

The council discussed the financial burden owning the area would bring to this council, expressing that within 3 years the £15,000 offered would have been used up on maintenance of the open space alone.

The debate did take place in a public meeting and the draft minutes of the meeting will be available on 19th July.

I know that this decision will not be received favourably; if you have any questions, please do not hesitate to come back to me.

Kind regards, Sarah Eden

The following response was received on 2nd July, but there has been no further communication since:

Dear Sarah,

Thank you for your email below relaying the comments of the Town Council.

We are currently in the process of seeking legal advice as Heads of Terms had been previously agreed in writing with the Town Council and we are unclear as to whether the Town Council are now able to walk away from this agreement.

Added to this is the s106 Agreement attached to the outline planning consent, which refers to the adoption of the area, so advice from Northumberland County Council will also have to be sought.

We will come back to you with a full response once we are receipt of the above advice.

Kind regards, Victoria

NCC has agreed to fund the purchase 5 of the planters for here and County Cllr Anne Dale would like the Town Council to consider paying for the planting and maintenance of these (this is on the agenda). As well as outside of the school, there is also a suggestion to locate 3 planters outside the houses to the west of Mickley Club as this would ease parking issues. The Town Council are also requested to plant and maintain these, following their purchase by NCC.

County Cllr Anne Dale reported that the Mickley school children had a lovely end of school party at Mickley Playing Fields.

Following a question from Cllr Chris Cuthbert, County Cllr Anne Dale agreed to check when the bus shelter at Mickley square was likely to be replaced and moved.

County Cllr Ken Stow

County Cllr Ken Stow advised that lighting schemes on Western Avenue were progressing and that the bus shelter base is in at Halfway (opposite Eltringham). With regards the parking scheme on Highfield Lane, this would be revisited shortly; it is reported to have had an effect. The parking scheme on Highfield Lane will be revisited; it has had an effect. PRUDHOE TOWN COUNCIL

AGREED Minutes of the Ordinary Meeting held on Wednesday 25th July 2018 in meeting room 1 of The Spetchells Centre

County Cllr Gordon Stewart

County Cllr Gordon Stewart reported that the business breakfast recently held at The Spetchells Centre was a success and hosted visitors from the rest of Tynedale as well as Prudhoe. Additionally a business event was held at The Fuse that unfortunately did not attract the numbers hoped for but this is not specific to Prudhoe. Liam Fox (Secretary of State for International Trade) is being consulted on bring jobs into the town and using some of the great land available; Northumberland businesses are being promoted in London. The advertising boards on local roundabouts are now full.

With regards the Low Prudhoe Development, County Cllr Gordon Stewart reported that although he seeks weekly updates from Northumberland Estates, there is nothing to report yet and no firm planning applications. There are two or three businesses interested in addition to a supermarket.

- A multi-agency walkabout has taken place in West Wylam with Karbon Homes and others.
- Bollards in West Wylam and on Redwell Road have also been taken; why they are being targeted is a mystery as they are plastic and rubber.
- CAB is progressing well with their move to The Manors.

In response to Cllr Jennifer McGee's question about the impact of Brexit on Northumberland and any plans to deal with the funding lost, County Cllr Gordon Stewart responded that the government had

b) Following the recommendation of the Acting Clerk, the Cllr Tracy Gilmore proposed that the Community Asset Transfer Application for Prudhoe East Centre should be deferred. This was AGREED.

The Acting Clerk advised that following feedback from NCC Strategic Assets and Policy Team it was clear that the Town Council was not in a position to make the application at this stage; as she had previously discussed with the chair, there were too many unresolved questions relating to structure, finance and the business plan itself. The Acting Clerk advised that in order to complete the Community Asset Transfer Application the Town Council would need to enlist an architect and draw up plans as well as costs for what it hoped to achieve, as well as agreeing how the building would be managed. Much of the advice in the comments from the policy team relates to the impact on 'The Spetchells Centre' and there is a clear steer towards working together.

It was AGREED to convene a meeting of the East Centre Advisory Group.

PRUDHOE TOWN COUNCIL

**AGREED Minutes of the Ordinary Meeting held on Wednesday 25th July 2018 in meeting room
1 of The Spetchells Centre**

1819/073 Mickley Square, x 8 additional black planters

It was AGREED to SUPPORT the scheme for an additional 8 Mickley Planters on the A695, 5 outside Mickley First School and 3 west of the pelican crossing, at a cost of £552 in 2018/19 and £784 in subsequent years.

Proposed: Cllr Angie Scott

Seconded: Cllr Jennifer McGee

1819/074 Phase 2; Cottier Grange Street Naming

It was AGREED to respond positively to the names Spinney Gardens, McCoull Drive and Pavilion Close. **It was also AGREED** to reluctantly accept that although on numerous occasions Woodland View and Field Close have been opposed due to there being numerous other 'woods' and 'fields' in the town, that they that these are supported by others, including the Prudhoe and District History Society whom the Council recommended should be consulted.

1819/075 Silent Soldier at Western Gateway

The Acting Clerk gave an update on the RBL Silent Soldier that was installed at the western gateway, from Prudhoe to Mickley; visible from the A695 which members were aware had been damaged. The Acting Clerk reported that these commemorative features were very difficult to source nationally and in view of this John Baron, who installed the silhouette soldiers on behalf of the council, had promised that if a replacement could not be sought, he would make a replica. John Baron, along with countless other members of the public, was outraged and very upset that this mark of respect was no longer in place and in view of everyone's disappointment, John has pledged to do what he can.

It was AGREED to pass on sincere thanks to John Baron.

The Acting Clerk also updated that the vandalism was reported to the police and they have appealed for information, but nothing has been forthcoming.

1819/076 TVLS Scheme

The Acting Clerk advised that although the Television License Scheme operates during reduced days/hours now, over the last month with Prudhoe in Bloom, site visits to the toilets, play areas and Edgewell Cemetery, as well as meetings and telephone calls (whatever might make the Acting Clerk not immediately available) the result of there being no-one available to refund claimants when they come into the library has resulted in much negativity towards the Karbon Homes desk and the Acting Clerk when reached. On the previous day, the Karbon Homes adviser and the Acting Clerk were subject to rude and aggressive behaviour from a member of the public.

The Acting Clerk acknowledged that the service is inadequate if residents come in and there is no-one available to administer the refund, therefore recommended that the council consider suspending the scheme until the office is fully staffed.

It was AGREED to suspend the scheme until further notice and until the office was sufficiently staffed to allow proper administration and to review the times when claims can be made

Proposed: Cllr Chris Cuthbert

Seconded: Cllr Gerry Price
