1819/110 The need for a 'Prudhoe Youth Initiative'

It was AGREED to RECEIVE the notes of a meeting hosted by Prudhoe Community Partnership on 10th October regarding the need for a Prudhoe Youth Initiative.

PRUDHOE TOWN COUNCIL

AGREED Minutes of the ORDINARY MEETING, held in meeting room 1, The Spetchells Centre at 7:00 pm on Wednesday 31st October 2018

Mr George Hepburn described that there was interest in operating a charity-based youth initiative as a way of bringing more funding into the town, to run alongside and supplement that offered by The East. Since the meeting seven people have expressed interest that would require a monthly commitment for the next 3-5 years.

It is expected that the initiative would operate under Prudhoe Community Partnership at first, running local activities and events and then would apply for lottery funding to employ a full-time Youth Co-ordinator. In order to set up the charity, the initiative would have to operate in the town first and the town council's funding of a detached youth service would be a great opportunity; expecting to be in a position to put this out by Easter. In the long term the initiative would be separate from both Prudhoe Town Council and Prudhoe Community Partnership, but there could be trustees from both.

The issues surrounding a Prudhoe Youth Initiative were discussed in detail and **it was AGREED** that the decision on the next agenda item would be held over until the New Year in order to allow the initiative the opportunity to take this forward.

1819/111 Detached Youth Service

It was AGREED that the proposal to seek expressions of interest in providing detached youth work sessions 'out in the town' on a Friday and Saturday evening would be held over to allow Prudhoe Youth Initiative the opportunity to take this forward in the New Year.

Proposed: Cllr Bryan Futers

Seconded: Cllr Tracy Gilmore

It was AGREED that the money remaining in Youth Service provision would be committed to this project and that further funding would be considered in January 2019.

Proposed: Cllr Brenda Grey

Seconded: Cllr Glenn Simpson

It was AGREED to receive a summary of the landlord's inspection carried out on 17th September 2018, and endorse the action taken as sent out with the agenda. The clerk advised that all minor matters raised had been addressed immediately.

b) Fireworks Display

It was AGREED to formally receive notice of the club's intention to host a community bonfire and fireworks display and to commend and support this free public event. The clerk advised that comprehensive risk assessments and planning documents had been received.

1819/113 Edgewell Cemetery

It was AGREED to receive the clerk's report of a resident complaint in relation to trees and boundary issues at Edgewell Cemetery west and endorse the planned action for members of the Cemetery Committee and the clerk to meet with NCC and agree a way forward. The recommendation would come back to the council.

1819/114 Grant Aid

It was AGREED to revise the Grant Aid process to consider requests for Grant Aid in January, following the agreement of the budget, rather than before as has been done in the past. This would allow more time for consideration by the council and give applicants more time. **It was also AGREED** that when setting the budget members would be mindful of agreeing a figure in line with the past five years and this was not an attempt to reduce the overall Grant Aid figure.

Proposed: Cllr Tracy Gilmore

Seconded: Cllr Chris Cuthbert

PRUDHOE TOWN COUNCIL

AGREED Minutes of the ORDINARY MEETING, held in meeting room 1, The Spetchells Centre at 7:00 pm on Wednesday 31st October 2018

Cllr Andy Gill asked for the record to show he was against the proposal to agree a pot of money in advance of applications being made.

1819/115 Council Tax Support Scheme 2019/20 Consultation

It was AGREED to respond to the NCC Consultation on Council Tax Support 2019/20 with the following:

Prudhoe Town Council does not support the proposal which is to reduce the maximum level of support for working age applicants from 100% to 92%. This 8% reduction in council tax support will affect the poorest in our communities on the lowest income.

Although it is appreciated that economies need to be achieved, the council finds it difficult to comprehend why savings would be made at the expense of the most vulnerable financially.

The Town Council is hopeful that an alternative to this proposal can be found.

Proposed: Cllr Jennifer McGee
